"Country Wine"

Once there was a time just drinkin' country wine
We don't sit up on the back porch with that old little
heart of mine

CHORUS:

Won't you bring it on back, bring it on back
Won't you bring it on back to this heart of mine?
Bring it on back, bring it on back
Won't you bring me some country wine?

Neighbors passin' by, just bringin' a friendly high
We don't sing out in the night, bringin' sweet old apple
wine

(chorus)

(scat singing)

Sky's so full of stars, it doesn't matter who you are
We're gonna have us a real good good time, if'n you
just bring the wine

(x2):

Won't you bring it on back, bring it on back
Won't you bring it on back to this heart of mine?
Bring it on back, bring it on back
Won't you bring me some, bring me some, bring me
some country wine?
