Oh have love, hey hey will travel, child, yeah
Oh have love, ah child, will travel, yeah
Now tell me if you never need a lover man
Mmm hmm will travel, child, yeah

Well I traveled from Maine to Mexico
I'm lookin' for a woman that loves me so
No matter where I go or where I be
I'm lookin' for a woman to satisfy me
Have love, that's what I got for you baby, will travel
Yeah, mmm hmm mmm hmm
Have love, wo wo wo wo, will travel, child
Won't you tell me now
Well, if you ever need a lover man, mmm
Will travel, furthermore

I might catch a boat or take a plane
If I have to, baby, take a railroad train
If I can't get a-there that way
Then look for me, child, to walk in any old way
Have love, yeah yeah yeah yeah, will travel, child
Wo have love, yeah yeah yeah yeah, will travel right
straight to you, baby
Wo if you ever need a lover man
Oh call on me, I'll travel

(instrumental)

Have love, will travel
Well I'm all full of love for you
I'm even gonna fill you full of kisses too
I'm goin' there, just a-wait & see
Get that lovin' away from me, uh huh
Have love, will travel, say yeah
Have love, will travel, say yeah
Have love, hey!
