Now have you got yourself a brand new baby  
Don't tell me maybe  
Is it so  
I got to know  
What's it gonna be  
Him or me  
Him or me  
Him or me  
Him or me

I can still recall when you told me I was all  
Everything you looked for in a man  
But I know that it's not true  
I've seen the way he looks at you  
And I thing you're gonna hang me up again

Now have you got yourself a brand new baby  
Don't tell me maybe  
Is it so  
I got to know  
What's it gonna be  
Him or me  
Him or me  
Him or me  
Him or me

So if you'd like to be so kind  
Would you please make up your mind  
I won't share your lovin' with another man  
And if you see things my way  
Won't you let me know today  
But if you decide it's him  
I'll change my mind

So have you got yourself a brand new baby  
Don't tell me maybe  
Is it so  
I got to know  
What's it gonna be  
Him or me  
Him or me

Him or me  
Him or me

Him or me  
Him or me  
Him or me  
Him or me  
What's it gonna be

Him or me  
Him or me  
Him or me  
What's it gonna be

Him or me  
Him or me  
Him or me  
What's it gonna be
