Revised Edition

They took the whole Cherokee nation

Put us on a redervation

Took away our ways of life

The tomahawk and the bow and knife

Took away our native tongue  
N' taught their English to our young

And all the beads were made by hand

Our nowadays made in Japan

Cherokee people  
Cherokee tribe  
So proud you lived  
So proud you die

They took the whole indian nation

Lockedd us on this resevation  
Though I wear a shirt an tie

I'm still Red Man dep inside

Cherokee people  
Cherokee tribe  
So proud you live  
So proud you die

But maybe someday when they"ve learned

Cherokee nation will return  
Will return  
Will return  
Will return  
Will return...

-----ed of song. I had a better chance to hear it  
slowly. I got the words right this time. I maybe 65 but I  
do a job right. Thanks
