Hah, when I left my wife and child, Louie go back home
And my, oh my car jumps and it's about to drive me
wild, Louie go back home
Ah a little voice inside my head goes on and on, Louie
go back home
Says Louie Louie Louie, you'd better go back h-home

Hah hah, I thought I'd make it above myself, Louie go
back home
But my baby has got my heart locked on the shed,
Louie go back home
Well hah, I can still hear my baby moan, Louie go back
home
Oh Louie Louie, you'd better come back a-home

A-better go back home, Louie go back home
Better go back home, Louie go back home
I'd better go home, better go back home, mmm hmm

Home, ho-home, ho-ho-home, better go back
Home, ho-home, ho-ho-hmm mmm mmm hmm
Home, ho-home, ho-ho-home, better go back home
Just a little bit softer
I'm goin' home a-to my baby
Yeah, 'cause you know that she loves you, daddy, like
crazy
I miss her so much, tell you what I'm gonna do
Gonna buy you a monkey and a new dog too, yeah
Because I've got to get home now to my baby
Just a little bit louder now, oh just a little bit louder

Hah go back home, Louie go back home
I'd better better better go on home, Louie go back
home
Oh go home, better go back home
Now Louie, where you been?
