[Snoop Dogg]

The gangstas bang, do that damn thang

Me and my nephew, Dogghouse keep it true

Roll that weed - pass that drank

Holla at your nigga, baby bring your thang

You could shake what you got, get your pussy real hot

Jump in the 'gator we could slide to my speezot

Just keep it on leazy, I know it ain't easy

You bucket mouth breezy

Silkk this bitch cute, thick and all that (damn)

"Why must I, chase the cat"

If you was me (me), and I was you (you)

You'd probably floss on a nigga

Burnin' rubber in a 52

Most bitches do, and most niggaz do too

In the land where it's all about the red and blue

But me - I'd rather get the greenery

And smoke out the whole motherfuckin' scenary

[Chorus]

Pop lockin' in my Rolls Royce, Cadillac

Lincoln and Mercedes Benz

Pop lockin' at the Howard Johnson, the Sheraton

Pop lockin' at the Holiday Inn

Pop lockin' in my Rolls Royce, Cadillac

Lincoln and Mercedes Benz
Pop lockin' at the Howard Johnson, the Sheraton
Pop lockin' with all my friends

It's that West Coast way we're livin'
(Money, cars, weed, bitches)
It's that West Coast way we're livin'
(From the South to the West)
It's that West Coast way we're livin'
(Money, cars, weed, bitches)
It's that West Coast way we're livin'

[Goldie Loc]

Why must I, be like that
With them ??? tux, draped in all black
Takin' back like the pop lockin' ??? gold suits
Bangin' back in the day just to get a lil' juicie

Blast on all you suckas, went to throw away 380
Fuck around get found up in a dumpster somewhere
Cause them Southside-Eastside gangstaz don't care

[Chorus]

[Silkk the Shocker]

It ain't nothin' but a gangsta party, you know who we

No Limit and Dogghouse, ain't nothin' but a G thang
You know, we think to win
Y'all think money's soft, nah y'all better think again
Cause if ain't about money, then why would I bother?
If she ain't keepin' it real, then why would I holla?
Til' she come swim by the crib with the house, come

Eat as much as you want to as long as you know what
come with the plate
On my lap a fo' five, in the trunk - keep a K
In the deck P, Snoop, Biggie, Pac, fool just keep up Dre
And the heat I got on me, always gotta ride with it

I don't spend money, fool I spend money cause I can -
die with it
Project nigga, huh, get my work on
Host MTV with a Eastsidaz shirt on
Ghetto like that, you know how we live
On the East it's 6 feet, on the West it's 3 wheels

[Chorus]
