Teddy's Rap

When's the last time ya'll heard my drop rhymes
See I be droppin' in it, remix, ya'll be coppin it
Play it on the radio, rockin' it
East, West, North, South non-stop it
No lie you seen me with Guy
Jimmy Lovine, BLACKstreet all clean
I work beats like girls in mag do
You need a remix I'll fix you too....BLACKstreet

Hook

Call me, if you need someone to fix you
Call me, satisfaction guranteed
Call me, if you need someone to fix you
Call me, call me
Oh sugar girl you sexy thang
I like the way you swang
I always wanna be your lover
You can call me if you need a fix or two
Girl you know how we do, I gotta get with you
You can hit me on the phone dial my number
I'll be waiting when I see you we'll be anticipating
All I wanna do is drive you crazy girl
If we can flow, baby let's go see me tonight

Hook

You don't have to worry
I'll be there for you
It's time for you to be my girl
We've been knowing each other
For some time girl and I don't know
What i'd do without you

Jay-Z's Rap

Zhigga murder tracks let the rap flow kill ya
Rock plantinum jewelry

Young ladies think it's silver
Need a fix hit me in the hip
But don't get bezerk and get whipped
Put my buisness in the street like work
I rock rocky ices
Duck po-lices
Thru somethin' let me know
I'll meet you by your building
In a brand new somethin'
It's not a thing i jus' copped
A range and 4 dot 6 with the
Hot wood grain
Drop the front like hydraulics
Gotta hypnotic like the
Dearly departed Christopher Wallace
Zhigga got it if you need it
Willing to give it if willing to
Live it, loving killing digits
It's the blacksheep along with BLACKstreet
If it drop on Monday we go
Plantinum the week
