If not for you, I wouldn't know
I wouldn't know what true love really meant.
I'd never feel this inner peace;
I couldn't be content.

(When I see your eyes)
When I see your eyes
(It's to complete my day)
It's to complete my day
(When I see your smile)
When I see your smile
(It's to complete my life)
It's to complete my life

If not for you, I'd never have
The pleasures of romance.
I'd miss the bliss, the craziness,
I have to feel your tender touch;
And to hear your voice;

(When I see your eyes)
When I see your eyes
(It's to complete my day)
It's to complete my day
(When I see your smile)
When I see your smile
(It's to complete my life)
It's to complete my life

No other one could take your place;
If not for you, I'd be adrift;
If not for you, I don't know what I'd do;
I don't know what I'd do Ooh
It's Incomplete, it's incomplete
It's Incomplete, it's incomplete ooh
It's Incomplete, it's incomplete
It's Incomplete, it's incomplete
If not for you.
