Traveling Boy (Williams/Nichols)

Wake up, my love, beneath the midday sun, alone,
once more alone.

This traveling boy was only passing through, but he will
always think of you.

One night of love beside a strange young smile, as
warm as I have known.

A traveling boy and only passing through, but one
who'll always think of you.

Take my place out on the road again, I must do what I
must do.

Yes, I know we were lovers but a drifter discovers.

A traveling boy and only passing through, but one
who'll always think of you.

Take my place out on the road again, I must do what I
must do.

Yes, I know we were lovers but a drifter discovers
that a perfect love won't always last forever.

I won't say that I'll be back again cause time alone will
tell,

so no goodbyes for one just passing through, but one
who'll always think of
you. No goodbyes.
