Snowman sittin' in the sun doesn't have time to waste.
He had a little bit too much fun, now his head's erased.
Back in the house, family of three, two doin' the
laundry and one in the nursery.
We brought a brand new baby back from Bangladesh,
thought we'd name her Emily. She's beautiful.
Beautiful.

Yes sir, head's erased, brain's a bowl of jelly. Hasn't
hurt his sense of taste, judging from his belly. But back
in the house, family of four now: two doin' the laundry
and two on the kitchen floor.
We brought a brand new baby back from mainland
China, sailed across the China Sea. She's beautiful.
Beautiful.

Go-kart sittin' in the shade: you don't need a ticket to
ride, it's summertime, summertime, slip down a water
slide. Little kid dancin' in the grass, legs like rubber
band. It's summertime, summertime. There's a line at
the candy stand. Keep an eye on them children, eye on
the children in the pool. You better keep an eye on
them children, eye on them children in the pool.

We brought a brand new baby back from Kosovo. That
was nearly seven years ago. He cried all night. Could
not sleep. His eyes were bright, dark and deep.
Beautiful.
