When you're weary, feelin' small
When tears are in your eyes, well I will dry them all
(How precious upon the wind now)

I'm on your side, when times get rough
And friends just can't be found

Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down

When you're down and out
When you're on the street, yes
When evening falls so hard
Well, I will comfort you
(Well, I will comfort you)

I'll take your part
Darkness comes
(Ahh)
And pain is all around

O just like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down

Sail on silver girl
Won't you sail on by
Your time has come to shine
All your dreams are on their way dreams
Now, now, now, now dreams are on their way, now
(All your dreams are on their way)

See how they shine
(Shine, like silver on the water shines)
If you need a friend
(Ooo ooo)
I'm sailin' right behind

O just like a bridge over troubled water

(Like a bridge over troubled water)
I will ease your mind
(Like a bridge over troubled water)
Like a bridge over troubled water
I will ease your mind

Ooo ooo
