Words & music by paul simon

Look at that
Look at this
Drop a stone in the abyss
Then walk away and know that anything can happen
Just like that
Just like this

Look at that
Look at this
Gimme a hug, gimme a kiss
Then hey, hey, off to school we go
You might learn something
Yeah you never know

Look at that
Look at this
Lovers merge and make a wish
They close their eyes and now their dreams are legal
Over the mountain the eagle flies
Through clouds of fire
Swoop and glide
You can't believe it,
You can't decide

Ask somebody to love you
Takes a lot of nerve
Ask somebody to love you
You got a lot of nerve
Ask somebody to love you
Takes a lot of nerve
Ask somebody to love you
Ma ma ma ma
Ma ma ma ma
Da da da da
Da da da da
La la la la
La la la la
Oom bop a doom

Look at that

Look at this
This is near enough to bliss
Then over the top we go and down
Down to the bottom
If you're looking for worries
You got 'em

Ask somebody to love you
You got a lot of nerve
Ask somebody to love you
Takes a lot of nerve
Tih tih tih tih
Tih tih tih tih
Gur gur gur gur
Gur gur gur gur
Lih lih lih lih
Lih lih lih lih
Oom sop a doom

Come awake, come alive
Common sense we survive
Then hey, hey, down the road we go
You might learn something
Yeah you never know
But anyway you've got to go
