The boy's got brains  
He just don't use 'em that's all  
The boy's got brains  
He just refuse to use 'em an' that's all  
He says, "The more I get to thinkin'  
The less I tend to laugh"  
The boy's got brains  
He just abstains

The boy's got a heart  
But it beats on his opposite side  
It's a strange phenomenon  
The laws of nature defied  
He said, "Its a chance I had to take  
So I shifted my heart for its safety sake"  
The boy's got a heart  
But it beats on his opposite

Oh, Marion  
I think I'm in trouble here  
I should have believed you  
When I heard you saying it  
The only time  
(Ooo)  
That love is an easy game  
(Ooo)  
Is when two other people  
(Ooo)  
Are playing it

The boy's got a voice  
But the voice is his natural disguise  
Yes the boy has got a voice  
But his words don't connect to his eyes  
He says, "I'm but when I sing  
I can hear the truth auditioning"  
The boy's got a voice  
But the voice is his natural

Oh, Marion  
I think I'm in trouble here  
I should have believed you

When I heard you saying it  
The only time  
(Ooo)  
That love is an easy game  
(Ooo)  
Is when two other people  
(Ooo)  
Are playing it
