Words & music by paul simon

Some folks' lives roll easy as a breeze
Drifting through a summer night
Heading for a sunny day
But most folks' lives, oh they stumble
Lord they fall
Through no fault of their own
Most folks never catch their stars
And here I am, lord
I'm knocking at your place of business
I know I ain't got no business here
But you said if I ever got so low
I was busted,
You could be trusted

Some folks' lives roll easy
Some folks' lives
Never roll at all
Oh, they just fall
They just fall
Some folks' lives
