"Take Me Away"

My eyes were burnin'
Lookin' back on all of my memories
And my mind was dreamin like it does
She wore white and in the night we made love
Together, I remember, together as one
It came so easy
But now it seems so long ago
My chance is fading into night
I can't change or rearrange what I've done
Together, I remember, together as one
Together, I remember, together as one

Yesterday, is far away, so take me out to sea
Far away, I've been what never will be
Check me in, to lose or win, I'm livin' memories
The drift begins, the dream of it sets me free

We lived each moment as if the days would never end
It seemed our lives had just begun
I can't stay, I'll make my way on the run
Together, I remember, together as one
Together, I remember, together as one

Yesterday, is far away, so take me out to sea
Far away, I've been what never will be
Check me in, to lose or win, I'm livin' memories
The drift begins, the dream of it sets me free

Yesterday, is far away, so take me out to sea
Far away, I've been what never will be
Check me in, lose or win, livin' memories
The drift begins, the dream of it sets me free
