What are the chances of you calling me?  
How could a bronze spoon boy deserve attention from  
royalty?  
When you did, well I could hardly speak  
I don't blame you for hangin' up the phone on me

It's alright, I'm just crazy tonight.  
I was trying to pretend your voice was in my head and  
we were already in love.  
Don't stop that sun from setting, just wait for our eyes  
to adjust to the dark.  
I feel a hand inside me. I think you're holding a piece of  
my heart..

What did I do to bring you back to me?  
And if livin' is the answer, well then that's just [baffled]  
me  
I got a second opportunity to make this green-eyed  
magnet reconsider me

It's alright, I'm not crazy this time.  
I've got voices in my head, they don't understand  
Sometimes they say too much.  
Don't stop that sun from setting, just wait for our eyes  
to adjust to the dark.  
I feel a hand inside me. I think you're holding a piece of  
my heart..

(instrumental)

Don't stop that sun from setting, just wait for our eyes  
to adjust to the dark.  
I feel a hand inside me. I think you're holding a piece of  
my heart.. (X2)
