Here I lay all alone
Tossin', turnin'
Longin' for some of your
Tender love

I've waited for the right
Moment to come
So I can thank you for
All the tender love you've given to me

Tender love
Love so tender
Holding me close to you
Baby, I surrender

Candle stand light the dark
Now I see how
Love with the feelings are
All the tender love you've given to me

I watch you more and more
Can't resist you
Moving I feel your touch
Ooh, tender love

Loving me straight from the heart
Hold me nearer
Please let me be a part
All the tender love you've given to me

Tender love
Love so tender
Holding me close to you
Baby, I surrender, yeah

Baby, I surrender, baby
Ooh, yeah

Tender love
Keep it coming

A love that we both share

Keep it coming
I never seen it nowhere
Keep it coming

Keep it coming
So tender, tender, tender, tender, tender love
Tender love

Love you for love, you know I'll never leave
'Cause all of the tender love you've given me
Just can't hide that I'm feeling free
'Cause all of the tender love you've given me

Yeah
All the tender love you've given to me
