In the back of my mind, an animalistic ritual
Me
Swingin' from a brass pole
Primal vibe is the way 2
Describe (crowd noise in BG)
Dancin' in my cage,
I'm ridin' high
And there is no one better step
4 stroke
4 the girl in the cage, there's still hope

And as U peep the scheme of things
You'll find
You're livin' in my dreams
Yeah, I'm the go
Go dancer

Go go dancer - I'm the life of the
Party
Go go dancer - Nothing can stop my body
Go go
Dancer - Dancing's all I wanna do

Caged in a
Rage, the beat hits
I step into my 4 by 6 cell now
Ahh sho'nuff in the house as I elevate
But in my
Mouth's a bad taste
This situation I'm sometimes
Placed
Is it art or just a display of
Flesh
Contained, slangin' and bangin' 2 a bass drum?
Silhouetted by lights, caught up in the hype
I'm
Doin' my own thing night after night.

Go go
Dancer - I'm the life of the party
Go go dancer -
Nothing can stop my body

Go go dancer - Dancing's all
I wanna do (G go, G go dancer)

Crawlin' back
And forth, no recourse
This is it 4 me and my life, yeah,
And it's my choice
Somebody's trippin', I
Feel myself slippin' away
Lights flashin', music
Playin' as I grind in my cage
Every day and night no
Matter what I do
Whether wrong or right, the music makes
Me ooh
In the taxi cab, if the radio's on

Off goes the top and I'm goin', goin',

Goin', gone (Ahh)

Go go dancer (Ahh)
Dancer - I'm the life of the party (G go, G go dancer)

Go go dancer - Nothing can stop my body (encore four
Times)

Excuse me dandelion, do U wanna dance?
U know U
Oughta try it, U might find some new romance
U know U
Gotta get wild 2 tolerate this world 2 day
U gotta do it
With style, I got a game - wanna play?

Go go dancer,
Go go dancer
Go go dancer, go go dancer (Ahh)

Life of the party night after night
I work my butt off
While the women roll their eyes
And the fellas gawk, yeah

But it's somethin' that I'm use 2, an
Occupational hazard
U see, I do what I gotta do 2 make
Ends meet
Yo, I dance and sweat in a cage 2 a go go beat

Though at times it feels demeaning, this feeling that

I'm feeling
It's a love and hate thing - catch
My meaning? (Ahh)

Go go dancer - I'm the life
Of the party (G go, G go dancer)
Go go dancer - Nothing
Can stop my body (Go)
Go go dancer - Dancing's all I
Wanna do (G go, G go dancer)

(Ahh) (G go, G go)
Dancer) (Go)
Go go dancer (G go, G go dancer)
Go go
Dancer (Ahh)
Go go dancer
Go go dancer (Let's go!)
Go go dance, go go dance, go go dance (encore 4
times)
(Let's go!) (encore 9 times in BG}
Go go dancer

Go go dancer (encore crowd noise in BG)
(Ahh)
