I stood on faith and the corner of ambition
I came here to sink or swim
And to show them all that they were wrong
And though I never thought I'd make it this far

So the curtains are down for the moment I'm someone
There were those in the wings who waited
Who came this way now they're gone

But there's always someone at home
Who never forgets who you are

And when I'm down and I'm growing old
I won't be along no railroad track
I won't be bound to a life out in the cold

It's been a steady pace to keep my steps
Between these cracks on Broadway
And my stride in rhythm
To the beat of home, sweet home

When I'm down and I'm growing old
I won't be along no railroad track
I won't be bound to a life out in the cold

It's been a steady pace to keep my steps
Between these cracks on Broadway
And my stride in rhythm
To the beat of home, sweet home

Can't go on, I'm on the top of my better years
I'm going home, it's too lonesome
On the bottom rung here

It's been a steady pace to keep my steps
Between these cracks on Broadway
And my stride in rhythm
To the beat of home, sweet home
