Come down off your throne and leave your body alone
Somebody must change
You are the reason I've been waiting so long
Somebody holds the key

But I'm near the end and I just ain't got the time
And I'm wasted and I can't find my way home

Come down on your own and leave your body alone
Somebody must change
You are the reason I've been waiting all these years
Somebody holds the key

But I'm near the end and I just ain't got the time
And I'm wasted and I can't find my way home

But I'm near the end and I just ain't got the time
And I'm wasted and I can't find my way home
Can't find my way home
Can't find my way home
Can't find my way home
