I hope that I won't be that wrong anymore
I hope that I've learned this time
I hope that I find what I'm reaching for
The way that it is in my mind

Someday I'll get over you
I'll live to see it all through
But I'll always miss
Dreaming my dreams with you

I won't let it change me
Not if I can
I'd rather believe in love

And give it away
As much as I can
To those that I'm fondest of

Someday I'll get over you
I'll live to see it all through
But I'll always miss
Dreaming my dreams with you

Someday I'll get over you
I'll live to see it all through
But I'll always miss
Dreaming my dreams with you
