Are you leaving, are you going?  
Did you think you could lose that feeling  
Without me knowing?

Are you wishing, you'd never met me?  
Does it take some train whistle blowing  
To forget me?

All the losing and the knowing  
That you love her still  
Could be nothing  
To what empty hearts must feel  
Tell me what an empty heart must feel

Are you leaving, are you going?  
Did you think you could lose that feeling  
Without me knowing?

All the losing and the knowing  
That you love her still  
Could be nothing  
To what empty hearts must feel  
Tell me what an empty heart must feel
