It was so right
It was so wrong
Almost at the same time
The pain and ache
A heart can take
No one really knows
But when the memories cling and take you there
Till you no longer care
You can let go now

It's not right for me
To cling to you

Somehow I just needed time
From what was to be
It's not like me
To hold somebody down
But I was tossed high by love
Almost never came down
Only to land
Where no love is found
And I'm no longer bound
I can let go now
