I don't know about tomorrow
I just live for day to day
I don't borrow from the sunshine
For it's skies may turn to gray

I don't worry o'er the future
For I know what Jesus said
And today I'll walk beside Him
For He knows what lies ahead

Many things about tomorrow
I don't seem to understand
But I know who holds tomorrow
And I know who holds my hand

Ev'ry step is getting brighter
As the golden stairs I climb
Ev'ry burden's getting lighter
Ev'ry cloud is silver lined

There the sun is always shining
There no tear will dim the eye
At the ending of the rainbow
Where the mountains touch the sky

Many things about tomorrow
I don't seem to understand
But I know who holds tomorrow
And I know who holds my hand
