**(feat. John Waite)**

*[John Waite:]*

I've spent my life  
Lookin' for you  
Findin' my way  
Wasn't easy to do  
But I knew there was you  
All the while  
And it's been worth  
Every mile

So lay down beside me  
Love me and hide me  
And kiss all the hurtin'  
Of this world away  
Hold me so close  
That I feel your heart beat  
And don't ever wander away

*[Alison Krauss:]*

Mornings and evenings  
All were the same  
There was no music  
Til I heard your name

I knew when I saw you smile  
And now I can rest for a while

*[Together:]*

So lay down beside me  
Love me and hide me  
Kiss all the hurtin'  
Of this world away  
Hold me so close  
That I feel your heart beat  
And don't ever wander away

And hold me so close  
That I feel your heart beat  
And don't ever wander away

*[she hums]*  
he sings  
Love me and hide me

*[both hum]*  
he sings  
'Til I feel your heart beat

*[both hum]*
