It's been a long time coming,
As we shed a lonesome tear.
And now you're in a wonderama,
I wonder what you're doin' here.

The flame no longer flickers,
You're feeling just like a fool.
You're starin' into your liquor,
Wonderin' what to do.

I don't really know you,
But I'd be willin' to show you,
A way to make you smile!
Let me touch you for awhile.

I'm gonna ruin my black mascara.
You're drinkin whiskey when it should be wine.
You keep a-lookin' into that mirror.
But to me you're lookin' really fine.

I don't really know you,
But I'd be willin' to show you,
I know a way to make you,
Laugh at that cowgirl as she's walkin' out your door.
I know a way to make you smile.

Just let me whisper things,
You've never heard before.
Just let me touch you, baby.
Just let me touch you for awhile.

I don't really know you,
But I'd be willin' to show you,
I know a way to make you smile.

It's been a long time,
Let me touch you for awhile.
