When this world is caught on fire
I wanna be caught in your will.
No I never will give up, no, no.
No I never will no, no.
No I never will give up, no, no.
No I never will no, no
and when this world is caught on fire
I wanna be caught in your will
I never will give up no, no,
No I never will, No, no, no, no, no
I'll always remember, ya, ya,
you know I always will, ya, ya,
I'll always remember, ya, ya,
Ya know I always will, ya, ya
When they crucified my Lord up on Calverie's hill
I'll always remember, ya, ya,
Ya know I always will ya, ya, ya, ya, ya
Guitar Instrumental
No I never will give up, no, no.
No I never will no, no.

I'll always keep singin', ya, ya.
Ya know I always will, ya, ya
I'll always keep singin' ya, ya,
Ya know I always will, ya, ya,
And when they crucified my Lord up on Calverie's hill
