Caught out running
With just a little too much to hide
Maybe baby
Everything's gonna turn out fine
Please read the letter
I nailed it to your door
It's crazy how it all turned out
We needed so much more

Too late, too late
A fool could read the signs
Maybe baby
You better check between the lines
Please read the letter,
I wrote it in my sleep
With help and consultation from
The angels of the deep
Aaaah,Aaaah, AaaaAhhh...
Please read the letter that I wrote
Please read the letter that I wrote

Once I stood beside a well of many words
My house is full of rings and
Charms and pretty birds
Please understand me, my
Walls came falling down
There's nothing here that's left for you
But check with lost and found
Aaaaaaaaaah, Aaah, Aaaaah....
Please read the letter that I wrote
Please read the letter that I wrote
Please read the letter that I wrote

One more song just before we go
Remember baby
You gotta reap just what you sow

Please read my letter
And promise me you'll keep
The secrets and the memories we
Cherish in the deep
Please read the letter

I nailed it to your door
It's crazy how it all turned out
We needed so much more
Please read the letter that I wrote
Please read the letter that I wrote
Please read the letter that I wrote
Please read the letter that I wrote
Please read the letter that I wrote

Oh Oh Oh Oh...

Please read the letter
Please read the letter
Please read the letter
Oh Yeah Oh Oh Oh...
