Feat. Tony Rice

Let me reach out Love and touch you, let me hold you  
for awhile  
I'd be known around the world, oh how I long to see you  
smile  
There's a shadow on the moon, and the waters here  
below  
Do not shine the way they should, and I love ya just in  
case you didn't know

Let it go, let it happen like it happend once before  
It's a wicked wind and it chills me to the bone,  
And if you do not believe me, come and gaze upon the  
shadow at your door

Won't you lie down by me baby, run your fingers  
through my hands  
I'd be known around the town and still I do not  
understand  
Is it me or is it you, or the shadow of a dream  
Is it wrong to be in love, could it be the finest love I've  
ever seen

Set it free, let it happen like it happend once before  
It's a wicked wind, and it chills me to the bone  
And if you do not believe me, come and gaze upon the  
shadow at your door.

Please kiss me gently darlin, where the river runs away  
From the mountains in the springtime, on a blue and  
windy day  
Where there's beauty all around, as the shades of  
night grow deep  
As the morning stars grow dim, they will find us in the  
shadows fast asleep.

Let it go, let it happen like it happend once before  
It's a wicked wind and it chills me to the bone,  
And if you do not believe me, come and gaze upon the  
shadow at your door
