Somewhere, someday we'll be close together
Wait and see
Oh, by the way
This time the dream's on me

You'll take my hand
And you'll look at me adoringly
But as things stand
This time the dream's on me

It would be fun
To be certain that I'm the one
To know that I, at least
Supply the shoulder you cry upon

To see you through
Till you're everything you want to be
It can't be true but
This time the dream's on me

It would be fun
To be certain that I'm the one
To know that I, at least
Supply the shoulder you cry upon

To see you through
Till you're everything you want to be
It can't be true but
This time the dream's on me
