It's amazing how you can speak right to my heart  
Without saying a word, you can light up the dark  
Try as I may I could never explain  
What I hear when you don't say a thing.

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave  
me  
The touch of your hand says you'll catch me if ever I  
fall  
You say it best, When you say nothing at all.

All day long I can hear people talking outloud  
But when you hold me near, you drown out the crowd  
Old Mr. Webster could never define  
What's being said between your heart and mine.

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave  
me  
The touch of your hand says you'll catch me if ever I  
fall  
You say it best, when you say nothing at all.

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave  
me  
The touch of your hand says you'll catch me if ever I  
fall  
You say it best, when you say nothing at all...
