Ba ba da ba . x45

Hey .
You're more, beautiful
Than, anyone
Under, heaven sent
You let my...
lying to this
And when you're near me
I can feel my heart race

Take me all the way now
Take me all the way now
love me all the way now
Take me all the way love

Hold me don't let go love
hold me I know your love
you are all I need love
every time I see you
I fall in love again
I fall in love again

I fall in love again
I fall in love again

Take me all the way now
Take me all the way now

Love me all the way now
Take me all the way love

Take me all the way now
Take me all the way now
Love me all the way now
Take me all the way love

Hold me don't let go love
Hold me I know your love
You are all I need love
Every time I see you

Take me all the way now
Take me all the way now
Love me all the way now
Take me all the way love

Hold me don't let go love
Hold me I know your love
You are all I need love
Every time I see you

I fall in love again
