I know you want me
Cant run away, cant run away from me
I'll navigate the seven seas just to find you
Cant hide away, cant hide away from me
I'll be a shadow when the sun dont shine
I'll be a fly on the wall, a wrecking ball,
your wake up call on a sleepless night
I'll be your cigarrrete-smoke,
your junkie's dope,
you'll be hanging by a thread
And I'll be holding the rope...

Cars and planes and boats wont do, yeah you can be
sure I'll find you
I know you want me...
Why wont you see me?

If I suffer then you'll too, I'm not alone out in the blue.
You can't escape me...
I won't just disappear...

Cant fly away, cant fly away from me,
I'll grab your wings and pull back down
Cant walk away, cant walk away from me,
cant you understand we are meant to be
I'll be the soles on your feet,
Your sticky sheet,
Your big black cloud on a sunny day,
I'll be your shoulder's chip, your sinking ship,
Dont try to turn the page, its not easy to spit...
Cars and planes and boats won't do, yeah you can be
sure I'll find you
I know you want me
Why wont you see me?

If I suffer then you'll too, I'm not alone out in the blue.
You can't escape me
I won't just disappear

I know you want me

Cars and planes and boats wont do, yeah you can be

sure I'll find you
I know you want me
Why wont you see me?

If I suffer then you'll too, I'm not alone out in the blue.
You cant escape me
I won't just disappear

Cars and planes and boats wont do, yeah you can be
sure I'll find you
I know you want me...
Why wont you see me?

If I suffer then you'll too, I'm not alone out in the blue.
You cant escape me
I wont just disappear...
