(feat. Ashley Tomberlin)

Back to you

Back to you, that's where I go
When I'm so fed up,
When I can't go on
In your arms, ?
When I'm awfully tired
When I need love
An I need love

It's 3 AM when I can hear you breathing
No, I'm fast asleep
No, I'm deeply dreaming

In your arms, ?

When I'm awfully tired
When I need love

Back to you

Back to you

Back to you, that's where I go
When I'm so fed up,
When I can't go on
In your arms, ?
When I'm awfully tired
When I need love
An I need love
