The sky isn't always blue
The sun doesn't always shine
It's all right to fall apart sometimes
I am not always you
And you are not always mine
It's all right to fall part sometimes

[Chorus:]

After all is said and done
One and one still is one
When we cry, when we laugh
I am half you are half

A heart isn't always true
And i am not always fine
We all have an angry heart sometimes

[Chorus:]

After all is said and done
One and one still is one

When we cry, when we laugh
I am half you are half
Look how far we have come
One and one still is...

One moon. one star
I love the one we are
One friend. one love
It's standing still in time

[Chorus:]

After all's said and done
One and one still is one
When we cry, when we laugh
I am half you are half
Look how far we have come
One and one still is one.

Ahhhhhhhhhhhhh
Oooooohhhhhhhh
