Some things are so intense
Some say sorry
But I'll give myself to the experience of light

Now I'm forced to think in a new way
Forced to see new colors
Cause something's pulling us together

Why are we aware?
Why this thrown sensation?
So is it you that I've been waiting for all my life?

Fills me with and it touches me
Searches through endlessly
Cause something's pulling us together

Unashamed passion and unashamed desire
Surpasses me, I'm spellbound
And I'm wondering what will happen
Unashamed passion and unashamed desire
Surpasses me, I'm spellbound
And I'm wondering what will happen

Unashamed passion and unashamed desire
Surpasses me, I'm spellbound
And I'm wondering what will happen

Unashamed passion and unashamed desire
Surpasses me, I'm spellbound
And I'm wondering what will happen

It's a spell

It's a spell

It's a spell

It's a spell

It's a spell

It's a spell
