(feat. Sue McLaren & Arty)

It's the start of a new day  
but everything feels over  
the sky a shade of grey  
drowning for some color

If you ever seen the sun  
after heartbreak  
lift your head up  
take a breath and hold  
though your heart may come undone  
a change is coming  
just remember  
it's not over

It's not over  
Just remember  
Just remember

As the sun shines on your skin  
let it sink in  
just remember  
it's not over

Remember  
Remember

Remember  
it's the start of a new day  
weight is on your shoulders  
you can wipe those tears away  
sunlight washes over  
if you ever seen the sun  
lift your head up  
take a breath and hold  
though your heart may come undone  
just remember  
it's not over  
it's not over

Just remember  
It's not over  
It's not over
