I'm the best thing  
That never happened  
I'm the best thing  
You never had

You're the best thing  
That never happened  
That never happened  
It's really too bad

And I was the last thing  
That you ever wanted  
I'm the best thing  
You never had

You were the first one  
To turn me on  
To turn me on fast  
To turn me down flat

You are the first one  
To turn me on fast  
To turn me on fast  
To turn me down flat

'Cause I was the last thing  
You ever wanted  
Still the best thing  
You never had

Now you don't know  
What you're missing  
You'll never know what you had  
You'll never know what you're missing, oh yeah

I was the best thing  
That never happened  
The best thing  
You never had

'Cause you want  
All the pick of the litter

Oh, don't go away bitter  
Now I wouldn't do that

I was the last thing  
That you ever wanted  
The best thing  
You'll never have

And I'm the best thing  
That never happened  
The best thing  
You'll never have  
The best thing  
You'll never have
