Well, you shoot me glances
And they're so hard to read
I misconstrue what you mean
Slip me a napkin and now that you start
Is this your name or a doctor's eye chart?

I try and comprehend you
But I got a dyslexic heart
I ain't dying to offend you
I got a dyslexic heart

Thanks for the book, now, my table is ready
It's a library or bar?
Between the covers I thought you were ready
A half angel, half tart

I try and comprehend you
But I got a dyslexic heart
I ain't dying to offend you
I got a dyslexic heart

Do I read you correctly, you need me directly
Now, help me with this part
Do I date you? Do I hate you?
Do I got a dyslexic heart?

You keep swayin', what are you sayin'?
Thinking 'bout stayin'?
Or you just playing, making passes
Well, my heart could use some glasses

[Incomprehensible]

Are you staying'? What are you sailin'?
What are you swayin'? Yeah
You just playing, making passes
Well, my heart could use some glasses

I try and comprehend you
I got a dyslexic heart

Do I read you correctly, I need you directly

Now, help me with this part
Do I love you? Do I hate you?
I got a dyslexic heart?

[Incomprehensible]
