Wu-hey!

I love you in the fall,
I never forget you,
at all

I love you in the fall,
I never forget you,
at all

I'll wait, for always,
Love you in the fall,
Never forget you.
The winter's coming on.

Seasons change before me.
Before me there must've been someone else,
Oh yes.

I'll wait, for always,
I love you in the fall,
I love you forever.
Oh

Seasons change before me,
After me, there'll be someone new
Someone new

And when the shadows turn blue
(Shadows of the sun)
When the crimson leaves appear,
It's only days 'till Autumn's here.

Early forever,
Oh,
I love you in the fall,
I love you forever.

Oh.
I love you in the fall,
I love you forever.

Oh,
Love you in the fall,
I Never forget you.

I Never forget you x3
