Decided not to have any part of
Wonderful lie of (live) love
Decided not to raise any children
Just like mamama and daddy did
Just like mamama daddy did

Decided not to have any part of
Wonderful lie of (live) love
Decided not to raise some goddamned kid
Yes that was their way no it ain't mine
Guess they did ok at least they tried

Decided not to have any regrets
Whoa that's as good as it gets
Decided not to raise some mixed-up kid
Just like mamama daddy did
Just like...
Just like...
