You look fine a little strange, been working out? Losing weight?

You got that hunger and I can see

You're looking younger than you're supposed to be

One little nip, one little tuck ohhh you're looking hip

You never never stop

Chop chop mannequin shop

The mannequin shop

You look bitching you look taut

I'm a itchin to know what was bought?

Are those yours? Are those mine?

Are they paid for? It's a lie

One little nip, one little tuck ohhh you're looking hip

You never never stop

Chop chop mannequin shop

The mannequin shop

You're looking great

You're losing face

You're looking fine

My little Frankenstein

Mannequin shop

Chop chop mannequin shop

You've got the face that you chose

Honey, can you spare a nose?

You're looking great

You're losing face

You look fine a little strange, been working out? Losing weight?

Are those yours? Are those mine?

Are they paid for? It's a lie

One little nip one little tuck ohhh you're looking hip

Good enough to
