Feelin' better than yesterday and worse than tomorrow
It's depressing for me to say I been dressing like Greta
Garbo
Oh, psychopharmacology works wonders, wonder will it
work on me?

They been searching for a cat who matches that
prescription
Sign up for a chat, they said we'll cure your addiction
Well, psychopharmacology works wonders, wonder will
it work on me?
Yeah, psycho

I need something to calm me down
I need something to keep me focused
Narcoleptic, paranoid and borderline hopeless
A D D, P C P, F U C K E D, that's me

I'm feelin' better than yesterday
And I'm havin' none of that
They say all the world's a stage
It's more like a medicine cabinet

Psychopharmacology works wonders, wonder will it
work?
Psychopharmacology works wonders, wonder will it
work?
Psychopharmacology works wonders, wonder will it
work on me?

(Psycho)
On me, we'll see
