Well, I've been out walking  
I don't do that much talking these days, these days  
These days I seem to think a lot  
About the things that I forgot to do for you  
And all the times I had the chance to

Well, I had a lover  
It's so hard to risk another these days  
These days, now if I seem to be afraid  
To live the life that I have made in song  
Well, it's just that I've been losing for so long

Well I'll keep on moving, moving on  
Things are bound to be improving  
These days, one of these days  
These days I'll sit on cornerstones  
And count the time in quarter tones to ten, my friend

Don't confront me with my failures  
I had not forgotten them
