O Lord many are my foes  
O Lord many rise against me  
They say where is your God  
They say God will not deliver you

Now arise O Lord deliver me from my foes  
As You struck down Your enemies in days of long ago  
Now arise O Lord deliver me from the dead  
You have become my glory  
You're the lifter of my head

O Lord I lie down to sleep  
The foe comes against me on every side  
But I, will have no fear  
For You, You sustain me with Your right hand

You have become my glory  
You're the lifter of my head, my head
