Dance with me Oh, Lover of my soul
To the song of all songs.
Romance me Oh, Lover of my soul
To the song of all songs

Behold, You have come over the hills
Upon the mountain
To me You have run, my Beloved
You've captured my heart.

Dance with me Oh, Lover of my soul
To the song of all songs
Romance me Oh, Lover of my soul
To the song of all songs

With You I will go, You are my love
You are my fair One
Winter has passed
And the springtime has come

Dance with me Oh, Lover of my soul
To the song of all songs
Romance me Oh, Lover of my soul
To the song of all songs

With You I will go, You are my love
You are my fair One

Winter has passed (the winter has passed)
Oh the winter has passed (the winter has passed)
All the darkness has passed (all the darkness has passed)
All the sickness has passed (all the sickness has passed)
All the fall down has passed (all the fall down has passed)
All the fear now has passed (all the fear now has passed)
All the death now has passed (all the death now has passed)

All the winter has passed
And the springtime has come

Dance with me Oh, Lover of my soul
To the song of all songs
Romance me Oh, Lover of my soul
To the song of all songs

Dance with me Oh, Lover of my soul
(Dance with me, dance with me)
To the song of all songs
Romance me Oh, Lover of my soul
(Dance with me, dance with me)
To the song of all songs

Ending

To the song of all songs
To the song of all songs
To the song of all songs
To the song of all songs
