You sit enthroned above the circle of the earth
Spreading out the heavens like a veil
You hold the universe so firmly in Your hand
Reaching out in love to all the world

El Elyon Most High God
Holy is Your Name

No one can know the secrets hidden in Your heart
Mysteries beyond the reach of man
No one else commands the sun to rise and then to fall
All creation heeds the great I AM

El Elyon Most High God
Holy is Your Name

Elohim El Shaddai
Yeshua Adonai
Let our glory of Your name be magnified
Lord Most High
