Who is like Him
Lion and the Lamb, seated on the throne?
Mountains bow down
Every ocean roars to the Lord of hosts

Praise Adonai from the rising of the sun
'Til the end of everyday
Praise Adonai, all the nations of the earth
All the angels and the saints, sing praise

Who is like Him
Lion and the Lamb, seated on the throne?
Mountains bow down
Every ocean roars to the Lord of hosts
Come praise Him

Praise Adonai from the rising of the sun
'Til the end of everyday
Praise Adonai, all the nations of the earth
All the angels and the saints, sing praise

(Guitar solo)

Ohhh...
Praise Adonai from the rising of the sun
'Til the end of everyday
Praise Adonai, all the nations of the earth
All the angels and the saints

Oh, So sing it
Praise Adonai from the rising of the sun
'Til the end of everyday
Praise Adonai, all the nations of the earth
All the angels and the saints, sing praise

Bring your praise to the Lord

All you that have breath
Give Him your praise
All the stars in their courses
They sing their praise to the Lord
