All that is within me Lord  
Will bless Your Holy Name  
I live my life to worship You alone  
You brought me out of darkness  
And into Your glorius Light  
Foverever I will sing of your great Love  
Foverever I will sing of your great Love

I love to see You glorified  
To see you lifted high  
I yearn to see all nations bow their knee  
It's You alone Lord Jesus Who  
Can cause the coldest hear  
To find Your love and everlasting peace  
To find Your love and everlasting peace

Holy holy holy is the Lord  
Holy holy holy is the Lord  
Holy holy holy is the Lord  
Holy holy holy is the Lord

Your trumpet will sound  
And all the heavens will know  
That the time has finally come  
For your Bride to take her place  
And we'll hear the angels sing

Your trumpet will sound  
And all the heavens will know  
That the time has finally come  
For your Bride to take her place  
And we'll hear the angels sing

Holy holy holy is the Lord  
Holy holy holy is the Lord
