You are someone even if nobody knows you
You are not a no one (no one)
You are why I'm here basking in your tears
Don't you know that I love you
Where you go from here is up to you (up to you)
Which road will you choose
Listen don't abuse your freedom

Crashing down I am here to help you
Crashing down yea I'll never leave or forsake you
Crashing down I am here to help you
Crashing down yea I'll never leave or forsake you

I fall on my face in the sand
Why did I fall? Why couldn't I stand?
Under the pressure temptations rise
Your Word is a treasure your Son is life
For all the family dem livin out with problems
And all the people who need help and can't solve them
For all the ones who live out in misery
For all the prisoners

Crashing down I am here to help you
Crashing down yea I'll never leave or forsake you
Crashing down I am here to help you
Crashing down yea I'll never leave or forsake you

Ohmega Watts pon di mic right now,
Born jamerican brooklyn mon,

So hands up spirit of di most highs flying me up
With the world spinnin round
But I will never crash down

You were on my mind today that's were I felt you
And you're in my heart to stay forever
Crashing down I was there to help you

Crashing down I am here to help you
Crashing down yea I'll never leave or forsake you

Crashing down I am here to help you
